**HOST**

SWR Code: 412H

HOST® is a dry extraction cleaning system where there are no wet carpets and hard floors to deal with so you can deep clean any time and the floors are ready for traffic immediately. The HOST Dry Extraction Cleaning System also reduces dust mites and mold giving your facility the high indoor air quality that is expected from you.

We offer a large selection of floor machines, vacuums and mop bucket/wringer combinations. Contact your Sales Representative for more information.
